Sparkling clean and ready to move in this charming Deer Creek home is just about perfect. Cathedral ceilings greet you as you enter the tiled foyer, and clerestory windows bathe the house in light. Updated by owners over the last few years, you'll appreciate all of their thoughtful choices. Luxury porcelain tile and plush carpet grace the entry and main living areas. Quartz countertops & stainless appliances accent the galley kitchen. Updated master bath with insane master closet and master suite sitting room allows you to shelter in the comfort of your own personal retreat. And the spacious yard with covered redwood deck, hot tub, and gazebo offers room to spread out, relax, meditate, and rejuvenate. Plus a 3-car garage and A/C! Located on the western edge of the Town of Windsor, you're just a few minutes drive from Healdsburg, the Russian River, regional parks, and, of course, the Town Green with shops, restaurants, farmer's market, and Summer Nights on the Green.
